hole near them, inserted a dynamite
ground. They were scattered in all
directions. There is no clew to the
eriminals.

A Hig Grain Movement.

KANAS CITY, Mo. Aug. 22.—The yards
of the Sants Fe Bailway Co. at Argentine Friday moraling were completely
benefing from Argentine to Turner, a
distance of four miles, were occupying
the main line and there was no truck
room to get them out of the way. The
great number of ears is due to the very
heavy grain erop of Kanesa which is
now moving. Other roads are equally

Neval than Non-Luine Switchmer.

Dermort, Mich., Aug. 22.—The strike
of the switchmen now in progress in
Burfale came very near precipitating a
crisis in Detroit Friday morning. An
attempt was made by the Michigan
Central officials to ship a number of
switchmen to furfale. They were to
dured refused to take his train out
with them en on board. Any further
attempt would have no doubt resulted
in a strike.

Homesteed strikers' Hente.

THE D morrats seem to think that appropriating \$2,500,000 for the World's Fair violates the Constitution only haif as much as to appropriate \$5,000,000.

The following are propounded by The American Economists:

If Protection does not raise wages, why are the wages of silk workers in QUESTIONS FOR England 30 per FREE-TRADERS, ecut, lower than they were in 1800, while wages of American silk workers have all the time advanced?

American slik workers have all the time advanced?

If it is "monopolistic," why are the greatest monopolists in the country arrayed against Harrisco and in favor of CLEVELAND?

If the Free-trade editors are not all convicted falsiders, why does not a single one of them accept our challenge to deny that the paper used by them to write lying Free-trade editorials is claeaper now than it was before the new Tariff law was passed?

If reclyrocity is a "step toward Free-trade," how is it a "sham?"

If it is not taking trade from forelguers, why do foreigners fleredy assail it?

bought?

To you find it congenial to work in concert with foreign enemies of your own country's industries?

Is Grover CLEVELAND, Free-trader, who hired a substitute a greater patriot than GEORGE WASHINGTON, Protectionalst, who led the Colonial troops through eight years of terrible wurfare to victory and independence?

bory and independence?

And Whish BH AH.

Thirty years ago William Sprague was the young Governor of Rhode Island, and one of the rehest men in the state. He can be a supported to the control of the Critical States. He married the daughter of the United States. He married the daughter of the States. He married the daughter of the States. He married the daughter of the fits face strucks once hard blows. He became to retrace his steps towards the bottom of the eminence on which he had stood. His wife left his home taking the state of the state of

BALLOON ACCIDENT.

A stray spark sea Tyre to the Air Ship11 Collapsed and the Female Aerosant
Fell to the Earth.
Corvavus, O., Aug. 22.—A pienie was
held Sunday evening at Shooting park,
and a balloon ascension, with a sense
and a balloon ascension, with a sense
like the season of the day's entertainment.
Jirs. Prof. Watson Steele was the ascensionist, assisted by Lew Morchead,
both of whom have gained considerable
notoriety in similar events. The balloon
was a hot-lar affair. The heat was
generated by a busilie, over which
the huge convass bag was as Steele
took ber selt in the car and the word
was given to cut away the gny ropes.
In an instant the balloon floated gracefully upward.
When the air ship reached a height
of 300 feet a frightful shaue shot from
inside his folds.
When the air ship reached a height
of 300 feet a frightful shaue shot from
inside his folds.
When the air ship reached a height
of 300 feet a frightful shaue shot from
inside his folds.
When the air ship reached a balght
of 300 feet a frightful shaue shot from
inside his folds.
When the shalloon was suddenly enswarned by fightened exclamations from
the errowd. She looked upward just as
half of the balloon was suddenly enguifed in stances. It stopped its upward
course and fell like a stah toward the
earth. Mrs. Steele attempted to save

Secretary of State Poster Herris a
Missionary's Wroge.

WASHINGTON, Aug. 22.—Secretary of
State Foster has been colled information that the house of Dr. Hartlett, an
American missionary at Bourclour,
province of Konia, Asla Minor, has
the missionaries are in danger.

He helieves that if prompt action
is not taken the missionaries
will be in serious danger in other places.
Secretary Foster promptly cabled the
charge d'affairs at Constantinople to
mike urgent demand for effective protection, indemnity, punishment of the
Charge for the serious serious danger in the property
and the serious serious serious serious demanders of the

the Suffee Fold in New York.
New York, Ang 22.—The strike in
Briffalo has already increased the price
of living in New York, and should it
become general a famine would shortly
result. Produce men say that if trains
were tied up for ten dups freed would
become scarce, so dependent is the public here on other parts of the country.
As usual, the persons to suffer first are
the porrer classes—those who lay in
many of the wholesale dealers have
been obliged to fall back on their reserve stock because the cars of merchamilse have not arrived. Much of
this such as meat, eggs and pontry,
be prishable and will be until for newhen it does arrive.

law and order people. Damage, \$1,500.
Ginaders Epidronie to Louton.
LONION, Aug. 22.—Ginaders is operadent in London that the authorities have issued speedal lustractions to the inspectors. They recommend the suspected of being infected with the disease, and the slangther of every animal that is known to be suffering with it. Every horse in the city is being strictly whiched. The public drinking troughs have been closed to prevent the contagion being spread by this ment.

New Manut Iniversity Truster.
Collemns, O., Aug. 22.—100 McKinley Saturday appointed Rev. D. R.
Moore, of Logan, trustee of the Minmi university, to succeed Pulmer W. Smith, who removed from the state. Smith did not resign. He is a well-known at-turney of Oxford, who suddenly moved to Texas a few weeks ago. After his departure it was lenrned that his ac-counts with a building assectation were complicated.
